

INDUSTRIA CIRCUITI STAMPATI

Via dei Tornitori, 41/49 - 41122 MODENA
Tel. ++39 059 282 777 - sito: www.icsmodena.it
Email: sales@icsmodena.it

UL File EN 9100:2018 ISO 9001:2015 40° anniversario

E140708

Nr 50100 14680

Nr 50100 10754

1980-2020

ICS has a long story behind, starting in the '80s, specializing in PCB production and making a name in the national market.

Having a long story behind is not just synonym of a solid present, but mainly of counting on a reliable, dynamic, and continuously evolving partner.

From the technical developing, to the production, every product is the result of the know-how and the synergy of high specialized staff.

Into the Technical Development, the project takes shape, thanks to an advanced CAM system capable to define every detail; in Production, circuits are realised with the most advanced technologies available on the market.

Automatic lamination, direct image system, boards checked with automatic machines, specialized technicians who make sure every single manufacturing step is well done, make ICS the ideal partner.

The company got the following certifications:

- UNI EN ISO 9001:2015
- UNI EN 9100:2018

- UL (double sided and multilayers)

This is the main equipment list:

Drilling and Routing department:

- Posalux LZ3600
- Posalux Mono
- Posalux Trio
- Shoda MV630-C
- Pluritec Inspecta Diamond
- Cutting machine “Magic”

Nr 50100 14680

Nr 50100 10754

1980-2020

Lamination department:

- Lamination system Burkle LAMV125
- Oxide treatment “MacDermid”
- Bonding Machine Piergiacomi AMM20
- AOI Camtek Orion 604

Test Department:

- ATG A7
- ATG A5

Dryfilm and Solder resist exposure:

- Direct Image system “Ledea 6”
- Orbotech Sprint 8
- Bacher FAPS600 POK
- Bacher FAPS600 HI

CAM Department:

- Frontline Genesis
- Ucam Integr8tor
- Ucam X

Chemical Processes and Finishings:

- Etching + Stripping “Alexis”
- Dryfilm stripping “Alexis”
- Plating Line “Elettroplast”
- Direct metalisation “Orlandi & Orlandi”
- Surface Preparation “TenCC”
- Desmearing process
- Hot Air Levelling “Pentagal”
